

The Right E-Verify Partner for You

Hiring done right. Top Talent. Expert Solutions.

What is E-Verify?

E-Verify compares a new hire's I-9 information with the Department of Homeland Security and Social Security Administration's databases to confirm their employment eligibility.

When Do You Need to Start Using E-Verify?

Now. E-Verify is mandatory in 23 states and soon, that number may grow. With Nesco Resource, it's so easy to start the process.

Why Do You Need to Work with an E-Verify Partner?

Not using E-Verify could cost you. If you're caught with unauthorized employees, you could:

- Be fined **\$698 to \$27,894** per unauthorized employee
- Lose government contracts
- Suffer a suspension of your business license
- Cause irreparable damage to your reputation
